93 responses

19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching?

93 responses

20. The overall quality of teaching-learning process in your institute is very good.

93 responses

Give three observation/suggestion to improve the overall teaching learning process in your institution.

- Need more computer rooms, washroom, and drinking water facility
- Lab equipments should be upgraded In Library more genres of books or novels should be added
- Washroom are not that good
- From my point of view that CCTV cameras should be added in more numbers.
- And there should be a rule that if students will not attend their classes they should give an application to the subject teacher.
- Teacher should know the Nepali language... It will be most helpful to communicate with Each other.
- Library should be more advanced.
- Improvement of Laboratory tools . 3. College should provide us a college bus because of travelling problem we can't be on time and it will hamper our learning process.

Inference:

The overall response of the students was satisfactory under all parameters. However the suggestions given by students will be taken up by the IQAC in the future action plan of the IQAC.
